

kobotouch

Reasons to love Kobo Touch

Kobo Touch is the first touchscreen eReader. Equipped with a no-glare 6" Pearl E Ink touchscreen, reading on the Kobo Touch is just like reading print on paper. Holding up to 1,000 books, Kobo Touch offers more ways to personalize the reading experience, get recommendations, and discover new content. The easily portable eReader is thin and light, and travels comfortably anywhere.
